Mr. Terry Long  
U.S. Army Corps of Engineers  
477 Michigan Avenue  
Detroit, Michigan 48226

Dear Mr. Long:

I am the owner of island property on the St. Lawrence River in Clayton, NY. I am concerned about the effects that Seaway expansion and winter navigation may have on the local ecology as well as on area shoreline structures.

Please add my name to the Corps' mailing list to receive notice of all public documents, comment periods or public meetings pertaining to the Great Lakes Navigational System Review.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori A. Shirley". The signature is fluid and cursive, with the first name "Lori" and last name "Shirley" clearly distinguishable.
